Membership in the Roanoke Vineyards wine club is as unique as the vineyard itself. Our members attend tastings in the cellar, pick our grapes, paddle their kayaks together, and even create field blends in the vineyard. Our wines are made in very limited quantities, and reserved for the members. Your membership is essentially a subscription, ensuring you'll have access to all our wines, including four quarterly portfolios of three or four bottles each.

Members receive a discount on all the wines they purchase (10% on one bottle, 15% on two, and 20% on three bottles or more). Library wines, and some portfolio offerings, are not subject to discounts. Wines we stock from other producers are offered at varying discounts depending on the particular wine and producer.

Your quarterly portfolios may be picked up at the vineyard, *or* on Love Lane, but be advised that Love Lane stocks only the current portfolio. Can't make it out to the North Fork? No problem! We'd be happy to ship your portfolios, however shipping charges will apply. Haven't been out for a while? Should you have three portfolios that you haven't gotten around to picking up, we'll ship them, but again shipping will be charged to your account. We won't ship if it's too hot, or too cold. Please note that our club portfolios are carefully curated, and substitutions are not allowed.

Be sure to update us with new expiration dates on your credit card. Sometimes an expired card can cause a delay in your shipment, and in the case of some very small lot wines, they may no longer be available a month after the initial club release. We will absolutely provide an alternative wine of equal value should this happen.

Your membership renews automatically, and will continue until you cancel. The initial term is one year, or four quarterly portfolios. Your Roanoke Vineyards wine club membership and its benefits are not transferable, and hold no cash value. You must be present to receive club discounts on over-the-counter sales. Members are welcomed to bring friends who enjoy fine wines and appreciate the vineyard's quietude.
